

# Membership

Thank you for your interest in supporting PTSA at Riverview Junior High! We have great activities planned for the upcoming school year. When PTSA gets involved, children benefit. When you get involved with PTSA, the child who benefits most is your own. Parents, grandparents and students can join PTSA. Student members will be included in the PTSA service project. Membership dues are \$5.00 per person.

## Please Donate

Instead of selling cookie dough, wrapping paper, or coupon books, we hope to raise enough money through donations. **We would like to encourage each family to donate \$25, but feel free to donate whatever you would have spent on a fundraiser.** You can pay membership dues and donate on-line with registration, or write a check to Riverview PTSA and mail it in to the school with this form. Donation amounts can also be added to your PTSA membership check if you are paying that way. You do not need to join PTSA to donate.
